

WE HAVE LEARNED We are Learning Every Day WE HAVE LEARNED

That there is no better Corset made for the money than the American Lady and we are keeping a good supply on hand at all times. Our lady customers are learning the same as there are more ladies in and around Stanford wearing American Lady Corsets than any other make.

Our constant desire to make this establishment the leading store in Stanford and Lincoln county has borne good fruit in the past and promises larger results in the future. You—the public—are our teachers; it is from you that we must ascertain whether we are on the right track or not.

We look for your approval or censure. Our aim is not only to sell goods lower than competitors, but give better service in every way.

To make cut prices when the goods are most needed, consequently we offer some odds and ends in Women's Slippers at the low price of 98c. They usually sell at \$1.25 to \$1.50 and are a real good bargain for you if you only need them for every day wear. Look at them. Just the thing for home comfort.

AN exceedingly pleasing occasion was that at the Graded School Friday evening. It was a reception given by the older pupils to meet Prof. and Mrs. John L. Bosley. The interior of the large building was beautifully decorated with flowers, and the handsome carpets and rugs on the floor took away all semblance to a school room. The teachers of the school were also in the receiving line. Light refreshments were served, an hour or so was spent in conversation, after which the large crowd took its leave, feeling that it was good to have been there.

HEAD-ON COLLISION.—At 3:45 Saturday morning double header freight No. 54 ran into the first section of No. 37 at Knob Lick. Both engines of the double header were badly demolished while that of No. 37 was considerably damaged. Five or six cars loaded with coal and coke were broken up and their contents thrown in every direction. Wreckers from Livingston and Louisville both came to the rescue and by 1:30 Saturday afternoon the road was clear. Very little of the track was torn up. The cause of the wreck was a misunderstanding of train orders. No. 37, South-bound, in charge of Engineer W. I. Lindsay and Conductor J. W. Stephenson, had orders to meet No. 54 at Knob Lick and as South-bound trains have precedence, that train was standing on the main track waiting. No. 54, Engineers Whitehead and Pryor and Conductor James Mershon, came thundering along and ran into the train with the result above mentioned. Fortunately for the crew of No. 37 they had abundant time to leave their train, but that of 54 had to jump hurriedly and Engineers Whitehead and Pryor and Trainman Newman were all badly bruised and scratched in their leap for life. It was a Godsend that they jumped for had they remained in their cars they would have been instantly killed. A tramp named John Moore, who was in one of the wrecked cars, sustained a number of cuts and bruises. Frank Cordier, flagman on 37, was knocked from his caboose when the trains came together and was slightly hurt. It was not a costly wreck but an exceedingly narrow escape for the entire crew of 54 and the scene presented Saturday morning would not have made one envy the life of a railroad man. Messrs. Bickley, Williams, Givens and Denny, who live near the scene, were very kind to the trainmen in their trouble.

THE county meeting held at Goshen Saturday was largely attended, a splendid dinner was partaken of and the day was spent both profitably and enjoyably. Interesting talks were made by Revs. G. W. Mills, F. M. Tindler, J. Q. and W. G. Montgomery and L. M. Omer. Nearly every Christian church in the county was represented and some satisfactory reports were received.

A GARRARD county republican, who is high up in political ranks, informs us that it is the general feeling among the republicans of Garrard not to give opposition to any of the democratic nominees except Judge A. D. Ford and some of the magistrates, unless they can get the very best of material. It seems that the rats are after the fiscal court, but we'll wager they won't get it.

THE Christian church was crowded Sunday morning to hear Rev. L. M. Omer's sermon to the graduates of the Graded School—Hubert Carpenter and James Newland. A special musical program was arranged and carried out by the best singers of town. Added to this was a beautiful solo by Miss Patsy Prewitt, of Lexington. Rev. Omer's text was from the first chapter of Joshua, eighth verse, and his discourse was a most interesting one. It was a splendid lesson to the graduates and other young people and should prove of value to them. The other churches gave way to Rev. Omer, who had been chosen to preach the Baccalaureate sermon, and many from the various congregations availed themselves of the opportunity of hearing the popular pastor of the Christian church.

THE Ladies' Missionary Society of the Baptist church will meet with Mrs. W. H. Wearen at 2:30 Friday afternoon.

LILLARD.—Mr. Robert W. Lillard, formerly of this place, died yesterday at Winchester, Tenn. He is survived by a wife and two children, Miss Sadie Lillard and Mr. Ashley Lillard. His first wife and the mother of his children was a Miss Craig, of Stanford. The burial will likely occur at his late home at Winchester.

CIRCUIT COURT begun at Mt. Vernon yesterday with a rather light docket. The morning was spent in charging the grand jury and the afternoon in trying a number of criminal cases of minor importance. The crowd was hardly up to the average and business generally was quiet. Few changes have been made in the town since our last visit, but Mt. Vernon may be said to be holding her own. The merchants seem to be thriving and people generally have an air of contentment.

Was Wasting Away.

"I had been troubled with kidney disease for the last five years," writes Robert H. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." During the Summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. G. L. Penny.

MATRIMONIAL.

The church wedding of Mr. J. K. Helm, Sr., and Miss Florence Owsley, of Moreland, was quite a swell affair. We extend hearty congratulations to Mr. Helm and his bride.
